

Trinity Sunday

Pastor's Corner

Dear Brothers and Sisters in Christ,

In this week pastor's corner I wish to share with you the advantages of using the pre-authorized giving (PAG).

Your Brother in Christ,
Fr. Roy

Dear Father Roy

We just wanted to write you a short note to let you know that we enjoy using the weekly automatic pre-payment plan available through the parish for the Sunday offertory. Stewardship is important to our family and as such we feel fortunate in being able to contribute weekly using this option.

Our family life is busy with many activities. Between work, sports, social and other activities and commitments our lives, especially on weekends, tend to be very active. Many times, husband and wife have communicated to each other, "Who's picking which child and where and let's meet at the 7:00 pm mass." When we arrive, we never have to worry about who brought the envelope or the money. Even if we have to miss the mass times at our own parish and go to one in another town, we are assured that our regular weekly contribution is taken care of.

It is convenient and comforting knowing that we are able to assist and contribute to the support of our parish community through this option of the weekly automatic pre-payment plan. As for feeling embarrassed because it might look like we are not putting anything in the basket, well, if we manage to bring the envelope, we just write on it "P.A.G." and still put it in and voila, no worries.

We thought you would like to know Father that the program does work and we are certainly glad of our decision to take advantage of it.

Best Wishes and God Bless Always
The Collins family
